

BUFFALO RIFLE SIDE MATCH

Any SASS approved 'Buffalo Rifle' may be used. There will be two classes, open (iron or peep) sights and optical sights. Black powder may be used but will not be a separate class. Shooter may use sticks or a rest if desired and must shoot from the bench, Any main match SASS approved big bore seated or standing. A minimum of 10 rounds of ammo will be needed plus any needed to settle ties. The course of fire will be two rounds with a break in between. The first round will be 2 sight-in shots at 100 yards and 5 shots at progressively smaller targets at 160 yards. Each target must be hit before moving to the next smaller target. The second round will be the same as the first except there will be no sight-in targets. Ties will be broken by a head to head sudden death shoot out starting on the largest target and progressing to the smallest until a winner is declared.
