

## The Bank

January 1886. Dirty is about to open the bank for business when a band of outlaws suddenly burst thru the door and demand money .The bank of Purgatory is being robbed. Dirty is not going to go down that easy. He grabs a nearby shotgun and takes down one of them before they know what is happening. The men of the town hear the shots and realize what is going on. They rush to his aid and the bandits scatter under a fusillade of lead.

Ammo / staging: 2 pistols loaded 5 rounds each and holstered. Rifle loaded with 9 rounds staged in rack outside next to window. 4+ shotgun shells on person, shotgun staged on the safe.

Start standing to the right of the safe with both hands on top of the safe and not touching shotgun. Say your line: "There ain't gonna be no robbery today!" ATB Engage shotgun targets and birds in any order. Restage shotgun as before and move to the outside window and engage rifle targets 1-1-1-2-3-4-5-5-5 restage rifle and move to the right of the window. With your first pistol engage the Texas star with 5 rounds and if needed, you may load a sixth round (optional) and make up one plate, holster. With second pistol engage the bottle rack in a left to right sweep. If any pistol targets remain up you may load one pistol round (optional) and make up one bottle. Take all guns and move to the unloading table.  
(Shotgun / Rifle / Pistol / Pistol)
